

Join Carolina Prep for

Kindergarten — 5th Grade

Open Monday – Friday, each camp is for children who have just completed Kindergarten through Fifth Grade.

Daily themed activities are age-appropriate and designed to meet each child on his/her level. Each teacher is assigned no more than 15 children.

- **Half-Day Program** – 6:30 a.m. – Noon.
Breakfast is served until 8:30 a.m. Class begins at 8:30 a.m., and ends at noon.
- **Full-Day Program** – 6:30 a.m. – 6:30 p.m.
Breakfast, lunch, and snack included. Class begins at 8:30 a.m. In addition to the half-day program's curriculum, campers retreat after lunch each day for 30 – 45 minutes of reading and journal time, may also explore the morning's topics in more detail, and participate in computer activities, and indoor and outdoor games.

Registration Fee: \$50

Half-Day Program: \$160/week

Full-Day Program: \$260/week

Please contact Carolina Prep for more information and visit our website to download your Summer Adventures registration form.

Amateur Athletes

June 4 – 8

Your adrenaline is pumping as you cross the finish line during sports week! We will work on our soccer, softball, kickball, and flag football skills, as well as balance, coordination, and speed in response to the rules of the game. We will pay special attention to our sportsmanship skills, too!

Creative Creations June 11 – 15

Let your creative juices flow this week as we take a look into the arts.

Campers will make scrapbooks, write stories, learn about fashion, and make some awesome art projects. We will have a real taste of the arts!

—continued on reverse

Mystery Madness**June 18 - 22**

We can not reveal our secret on this one! You will just have to come and see for yourself!

The Great Outdoors**June 25 - 29**

It's the call of the wild! Come learn basic camping skills, such as pitching a tent, detecting poisonous plants and dangerous animals, and what to do if we encounter them. Don't forget the yummy s'mores!

Mad Scientists**July 2 - 6**

It's slime time! Experiments of all kinds fill this week with scientific fun! Campers will use different materials to prove a daily hypothesis.

Young Chefs**July 9 - 13**

We test our culinary skills this week while learning how to make fun and delicious recipes. Campers will make dishes for breakfast, lunch, and dinner, and conclude the week by making a special dinner for their parents.

Animal Kingdom**July 16 - 20**

Get an up-close and personal look at our favorite animals as we visit local zoos and have a few fuzzy critters come and visit us at camp. Come explore the different habitats, diet, and behaviors of animals. We'll also learn what to do when meeting domesticated and wild animals.

3, 2, 1, Blast Off!**July 23 - 27**

Come soar with us through space and time as we become astronomers and explore space. Your camper will have an out-of-this world experience as we study the stars, have space missions, and engage in some exciting experiments! Hold on to your space boots, because we are going to have a blast this week!

Movin' & Groovin'**July 30 - August 3**

Shall we dance? This week will surely be a grooving good time as the campers learn many different dances. We'll strut our stuff in dances from around the world, and even try hip-hop! We will look at folk dances, line dances, and modern dances. We will end the week with the BEST DJ dance party ever!

Techy Camp**August 6 - 10**

Speed down the information highway! We'll make fun and informative PowerPoint presentations, use iPads and MacBooks to explore Apple's universe of nifty apps, and navigate the World Wide Web in a safe and secure environment. We'll learn how to take and download pictures using a digital camera, and we'll even find out what this funny thing on the left does!
